

# Ornamental Fish from all over the world

## Barbus titteya Super Red

The Cherry barb, *Barbus titteya*, is a favorite aquarium fish for decades already. The species is quite variable regarding coloration in the wild already. It lives endemic on the island of Sri Lanka. The sport called Super Red has been developed by selective breeding. Currently we can offer very beautiful animals from a German breeder.

# AQUARIUM GLASER GmbH

Ornamental Fish Import/Export Wholesale Rare Fish Specialist

female

male

For our customers: the fish have code 372634 on our stocklist. Please note that we exclusively supply the wholesale trade.
